

Assistant Ministers & Acolytes

Two important worship leader roles are the Assistant Minister and the acolyte. Both of these roles require training which is provided at least once each year.

Pastor Geib conducts the training for Assistant Ministers and prepares the schedule on a quarterly basis.

Deb Clark trains and schedules the acolytes. Acolyte schedules are usually prepared for six months at a time.

If you are interested in either of these service roles, you can contact Pastor Geib, Deb Clark or Neil Sunkel for more information.
